

# BE QUICK ABOUT IT

**RULES:** IDPA Rules

**Created By:** HDS

**START POSITION:**

Standing in "Shooter's Box" at the Low Ready position or holstered.

**SCENARIO:**

**PROCEDURE:**

Standing in the "Shooter's Box", at the Low Ready position or holstered hands relaxed at sides. At the "Start" tone, engage one of the two targets on the left side with at least two shots. Transition over to the target on the far right side and engage with at least two shots. Then transition back to the target on the left, that was not previously engaged, and engage with at least two shots. Shooting targets out of sequence will incur a one second penalty per shot. Make up shots are allowed.

Targets may shift sides at some point to mix things up.

One target may come closer during the match, and then must be engaged first for tactical order.
