

Card Game

RULES: Other

Created By: HDS-PK

START POSITION:

Table start: Standing behind the table with a loaded handgun in your strong hand and your off hand resting on your thigh. The front of the handgun (barrel, dust cover, weapon's light) and the bottom area of the gun (grip) or strong hand must be touching the table. Finger OFF of the trigger. There will be four cards face down on top of the table.

PROCEDURE:

There will be four targets with a card suit designated for each target.

At the start signal, turn over one of the cards on the table with your off hand. Engage the three targets, with two shots each, that are not the same suit of the card you turned over.

SCORING: Limited

ROUND COUNT: 6

TARGETS: 4

DISTANCE: Seven (7) yards, may be moved to ten (10) yards.

SCORED HITS: Time plus any penalties.

PENALTIES: Shooting the wrong target will be scored as a miss of the correct target.
