

Carry Gun

RULES: Other

Created By: JH

START POSITION:

In shooters box, gun loaded with five (5) rounds only, gun in holster or low ready position.

PROCEDURE:

Start in "Shooters Box". All firing will occur in the Shooters Box (no movement). With five rounds only loaded in your gun, gun in holster or low ready position. At start signal, engage the closest target (Target 1) with one round only, and then the two remaining targets (Target 2 and 3) with two rounds each, in tactical priority order (closest to farthest). Five shots only, no makeups. Non-shoot target(s) may be introduced into the scenario. Any hits on a non-shoot target is a twenty five second penalty per hit, and pass through shots will not be scored. Targets 2 and 3 may change position and/or distances in between strings of fire.

SCORING: Limited

ROUND COUNT: 5

TARGETS: 3

DISTANCE: One to seven (1-7) yards

SCORED HITS:

PENALTIES: Plus twenty five for any hits on non-shoot targets.

NOTES: Use a gun that you would carry around while out and about doing normal everyday activities (like shopping, going for a walk, etc.)
