START POSITION:

In "Start Box" with handgun in low-ready position.

PROCEDURE:

Start in "Shooters Box". After being told to load and make ready, come to a low ready position with the weapon pointed at the bottom edge of Target 1. At start signal, withdrawal the weapon back quickly to avoid, or break the grip, of the first "bad guy". Fire one shot at Target 1. Then transition to targets 2 and 3, firing two (2) shots at each target, in any order. Five shots only, no make ups.
